What Does My Contribution Fund?

Following extensive consultations with our Learning Experience Designers (LEDs) and input meetings with parents, The Collaborative adopted our first official budget on January 27, 2015. It will guide our spending decisions throughout our fiscal year, which ends June 30, 2015. This first year focuses spending in three primary areas, with provisions for reserve funds to facilitate a seamless transition into next year's programs. Your contributions this year will directly provide:

- **Vital investments into D39 classrooms and students**, including specialized materials and supplies for Deep Dives and Explorations; instructional support realized by Impact Teachers and Teaching Assistants; subscription-based, on-line curriculum that develops maths and literacy skills; and professional development opportunities to support our LEDs in staying at the top of their field.
- **Activities designed to build D39's community and culture**, including parent socials, family nights, coffee chats, classroom and POD celebrations, volunteer support, and staff appreciation.
- **Student enrichment activities** including supporting our campus garden and initiating a new program, Healthy Bodies/Healthy Planet—a program that models how to make positive choices to enhance our lives.

It's Official!

The D39C Collaborative Budget FY 2014-2015

The Collaborative Depends on Your Support.
Please Donate Today.

***Equals more than \$80K of direct spending to enhance Design39 this year!**
